WHAT IS CALIFORNIA CHILDREN SERVICES (CCS) PROGRAM? CCS is a program which treats children with certain physical limitations and diseases. The program is paid for by California taxpayers and offers medical care to children whose families cannot afford all or part of needed care.

WHO QUALIFIES FOR CCS? The program is open to anyone who, 1) is under 21 years of age; 2) has a physical limitation or disease that is covered by CCS; 3) is a permanent resident of California; and 4) has a family income of less than \$40,000 reported as Adjusted Gross Income on the state tax form, or whose out-of-pocket medical expenses for a child who qualifies is expected to be more than 20 percent of the family income.

HOW DOES A CHILD GET CCS SERVICES? The CCS agency in the county where a child lives approves services for a child. Such requests or referrals may be made by anyone, including the family, school or public health nurse, family doctor, or physician specialist. It is important that referrals be made to CCS as early as possible since CCS does not pay for any medical care that is provided before the date the referral is made. A family must also apply for CCS. Once the family applies, CCS decides whether the child meets the medical, residential, and financial qualifications for CCS.

WHAT MUST THE APPLICANT OR FAMILY DO TO QUALIFY FOR CCS? To obtain CCS for the qualifying disease or limitation as soon as possible, families must: 1) Complete an application form and return it to CCS by the date given. Unless a signed application is received by CCS, CCS cannot make decisions about whether the family qualifies for the program. Approval for services are not given by CCS unless a family meets all of the program qualifications. 2) Give CCS all of the information requested so that CCS can decide whether a family qualifies. If all needed information is not given, the case may not be opened. 3) Apply to Medi-Cal if CCS decides that a family's income qualifies for the Medi-Cal program. If a family qualifies for Medi-Cal the child is also covered by CCS which approves services but payment is made by Medi-Cal. CCS may pay for services which are not covered by Medi-Cal and the family benefits from both programs. In this way, limited CCS funds can be stretched to cover many more families.

PRIVACY NOTIFICATION: The CCS program in the county where you live is asking for the information on this application. The information requested by CCS is required except where the form shows you have a choice. If you do not provide the required information, your child's application is incomplete and CCS may not be able to open the case. The CCS program will keep this information confidential in accordance with Section 41670, Title 22, California Code of Regulations and California Public Records Act (Government Code Section 6250-6265. CCS may share information on the form with authorized staff from other health and welfare programs only when you have provided a signed consent form. You have the right to see your application and CCS records concerning you or your child. If you wish to see these records, contact your county CCS agency. By law, the information you give to CCS is kept by the program. (Section 123800 et seq., of the California Health and Safety Code). California law also requires that families applying for services shall be given the above information (Civil Code Section 1798.17).

YOUR APPEAL RIGHTS: You have the right to appeal decisions made by CCS according to provisions by the California Code of Regulations, Title 22, Chapter 13, Section 42702 - 42703. For information on the appeal process, contact the BUTTE County CCS office at (530)895-6546.

¿QUE ES EL PROGRAMA DE CALIFORNIA CHILDREN`S SERVICES (CCS)?

El CCS es un programa que trata ciertas limitaciones físicas y enfermedades de los niños. El programa es pagado por los contribuyentes del estado de California y ofrece cuidado médico a los niños de las familias que no pueden pagar la totalidad o parte del cuidado necesario.

¿QUIEN CALIFICA PARA EL PROGRAMA CCS?

El programa está abierto para todos aquellos que, 1.)Tengan menos de 21 años de edad; 2.)Tengan una limitación física o enfermedad que sea cubierta por el programa CCS; 3.)sean residentes permanentes del estado de California; 4.)tengan una familia cuyos ingresos anuales brutos declarados en la hoja del formulario de impuestos sean inferiores a \$40,000 dólares, o cuyos gastos médicos para el niño pagados de su bolsillo sean superiores al 20% de los ingresos anuales de la familia.

¿COMO OBTIENE EL NIÑO LOS SERVICIOS DEL PROGRAMA CCS?

La agencia del programa CCS en el condado donde vive el niño provee los servicios. Cualquier persona puede hacer las solicitudes o las referencias, incluyendo la familia, la escuela, la enfermera de salud pública, el doctor de la familia, o el médico especialista. Es importante que las solicitudes o las referencias al programa CCS se hagan lo antes posible, ya que el programa no paga ningún gasto médico anterior a la fecha de la solicitud. La familia debe hacer una solicitud de requisitos médicos, residenciales, o financieros.

¿QUE DEBE HACER EL SOLICITANTE O LA FAMILIA PARA CALIFICAR PARA EL PROGRAMA CCS?

Para obtener los servicios del programa de CCS referente a las limitaciones o enfermedades calificados por el programa, las familias deben: 1.)Completar un formulario de solicitud y enviarlo al CCS en la fecha establecida. A menos que se reciba una solicitud firmada, el CCS no puede tomar decisiones acerca de si la familia califica o no para el programa. La aprobación para recibir los servicios no son dados por el CCS si la familia no cumple con todos los requisitos del programa. 2.)Dar toda la información requerida para que el CCS pueda decidir si la familia califica para el programa. Si no se recibe toda información requerida, no se puede abrir el caso. 3.)Solicitar Medi-Cal si el CCS considera que los ingresos anuales de la familia califican para el programa de Medi-Cal. Si la familia califica para el Medi-Cal, el niño recibe también cobertura del CCS y aprobamos los servicios, pero el pago lo hace Medi-Cal. El CCS puede pagar los servicios que no cubre el Medi-Cal y los beneficios de la familia de los dos programas. De esta manera, los fondos limitados del CCS pueden alargarse para cubrir muchas más familias.

NOTIFICACION EN PRIVADO

La agencia de California Children`s Services del condado donde usted vive es la que pide la información en el formulario de solicitud. La información solicitada por el CCS es requerida excepto en aquellos formularios donde se da la opción de darla o no. El CCS puede compartir la información del formulario con el Departamento de Estado de Servicios de Salud del condado donde usted vive. La información no será compartida con nadie más sin una autorización firmada por los padres o por el guardian legal del niño. Usted tiene el derecho de ver su solicitud y los records concernientes a su niño. Si usted quiere ver estos records pongase en contacto con la agencia del CCS de su condado. ¿QUE ES EL PROGRAMA DE CALIFORNIA CHILDREN`S SERVICES (CCS)?

El CCS es un programa que trata ciertas limitaciones físicas y enfermedades de los niños. El programa es pagado por los contribuyentes del estado de California y ofrece cuidado médico a los niños de las familias que no pueden pagar la totalidad o parte del cuidado necesario.

¿QUIEN CALIFICA PARA EL PROGRAMA CCS?

El programa está abierto para todos aquellos que, 1.)Tengan menos de 21 años de edad; 2.)Tengan una limitación física o enfermedad que sea cubierta por el programa CCS; 3.)sean residentes permanentes del estado de California; 4.)tengan una familia cuyos ingresos anuales brutos declarados en la hoja del formulario de impuestos sean inferiores a \$40,000 dólares, o cuyos gastos médicos para el niño pagados de su bolsillo sean superiores al 20% de los ingresos anuales de la familia.

¿COMO OBTIENE EL NIÑO LOS SERVICIOS DEL PROGRAMA CCS?

La agencia del programa CCS en el condado donde vive el niño provee los servicios. Cualquier persona puede hacer las solicitudes o las referencias, incluyendo la familia, la escuela, la enfermera de salud pública, el doctor de la familia, o el médico especialista. Es importante que las solicitudes o las referencias al programa CCS se hagan lo antes posible, ya que el programa no paga ningún gasto médico anterior a la fecha de la solicitud. La familia debe hacer una solicitud de requisitos médicos, residenciales, o financieros.

¿QUE DEBE HACER EL SOLICITANTE O LA FAMILIA PARA CALIFICAR PARA EL PROGRAMA CCS?

Para obtener los servicios del programa de CCS referente a las limitaciones o enfermedades calificados por el programa, las familias deben: 1.)Completar un formulario de solicitud y enviarlo al CCS en la fecha establecida. A menos que se reciba una solicitud firmada, el CCS no puede tomar decisiones acerca de si la familia califica o no para el programa. La aprobación para recibir los servicios no son dados por el CCS si la familia no cumple con todos los requisitos del programa. 2.)Dar toda la información requerida para que el CCS pueda decidir si la familia califica para el programa. Si no se recibe toda información requerida, no se puede abrir el caso. 3.)Solicitar Medi-Cal si el CCS considera que los ingresos anuales de la familia califican para el programa de Medi-Cal. Si la familia califica para el Medi-Cal, el niño recibe también cobertura del CCS y aprobamos los servicios, pero el pago lo hace Medi-Cal. El CCS puede pagar los servicios que no cubre el Medi-Cal y los beneficios de la familia de los dos programas. De esta manera, los fondos limitados del CCS pueden alargarse para cubrir muchas más familias.

WHAT IS CALIFORNIA CHILDREN SERVICES (CCS) PROGRAM? CCS is a program which treats children with certain physical limitations and diseases. The program is paid for by California taxpayers and offers medical care to children whose families cannot afford all or part of needed care.

WHO QUALIFIES FOR CCS? The program is open to anyone who, 1) is under 21 years of age; 2) has a physical limitation or disease that is covered by CCS; 3) is a permanent resident of California; and 4) has a family income of less than \$40,000 reported as Adjusted Gross Income on the state tax form, or whose out-of-pocket medical expenses for a child who qualifies is expected to be more than 20 percent of the family income.

HOW DOES A CHILD GET CCS SERVICES? The CCS agency in the county where a child lives approves services for a child. Such requests or referrals may be made by anyone, including the family, school or public health nurse, family doctor, or physician specialist. It is important that referrals be made to CCS as early as possible since CCS does not pay for any medical care that is provided before the date the referral is made. A family must also apply for CCS. Once the family applies, CCS decides whether the child meets the medical, residential, and financial qualifications for CCS.

WHAT MUST THE APPLICANT OR FAMILY DO TO QUALIFY FOR CCS? To obtain CCS for the qualifying disease or limitation as soon as possible, families must: 1) Complete an application form and return it to CCS by the date given. Unless a signed application is received by CCS, CCS cannot make decisions about whether the family qualifies for the program. Approval for services are not given by CCS unless a family meets all of the program qualifications. 2) Give CCS all of the information requested so that CCS can decide whether a family qualifies. If all needed information is not given the case may not be opened. 3) Apply to Medi-Cal if CCS decides that a family's income qualifies for the Medi-Cal program. If a family qualifies for Medi-Cal the child is also covered by CCS which approves services but payment is made by Medi-Cal. CCS may pay for services which are not covered by Medi-Cal and the family benefits from both programs. In this way, limited CCS funds can be stretched to cover many more families.

PRIVACY NOTIFICATION: The CCS program in the county where you live is asking for the information on this application. The information requested by CCS is required except where the form shows you have a choice. If you do not provide the required information, your child's application is incomplete and CCS may not be able to open the case. The CCS program will keep this information confidential in accordance with Section 41670, Title 22, California Code of Regulations and California Public Records Act (Government Code Section 6250-6265). CCS may share information on the form with authorized staff from other health and welfare programs only when you have provided a signed consent form. You have the right to see your application and CCS records concerning you or your child. If you wish to see these records, contact your county CCS agency. By law, the information you give to CCS is kept by the program. (Section 123800 et seq., of the California Health and Safety Code). California law also requires that families applying for services shall be given the above information (Civil Code Section 1798.17). Code). California law also requires that families apply for services shall be given the above information (Civil Code Section 1798.17).

YOUR APPEAL RIGHTS: You have the right to appeal decisions made by CCS according to provisions by the California Code of Regulations, Title 22, Chapter 13, Section 42702 - 42703. For information on the appeal process, contact the BUTTE County CCS office at (530)895-6546.

WHAT IS CALIFORNIA CHILDREN SERVICES (CCS) PROGRAM? CCS is a program which treats children with certain physical limitations and diseases. The program is paid for by California taxpayers and offers medical care to children whose families cannot afford all or part of needed care.

WHO QUALIFIES FOR CCS? The program is open to anyone who, 1) is under 21 years of age; 2) has a physical limitation or disease that is covered by CCS; 3) is a permanent resident of California; and 4) has a family income of less than \$40,000 reported as Adjusted Gross Income on the state tax form, or whose out-of-pocket medical expenses for a child who qualifies is expected to be more than 20 percent of the family income.

HOW DOES A CHILD GET CCS SERVICES? The CCS agency in the county where a child lives approves services for a child. Such requests or referrals may be made by anyone, including the family, school or public health nurse, family doctor, or physician specialist. It is important that referrals be made to CCS as early as possible since CCS does not pay for any medical care that is provided before the date the referral is made. A family must also apply for CCS. Once the family applies, CCS decides whether the child meets the medical, residential, and financial qualifications for CCS.

WHAT MUST THE APPLICANT OR FAMILY DO TO QUALIFY FOR CCS? To obtain CCS for the qualifying disease or limitation as soon as possible, families must: 1) Complete an application form and return it to CCS by the date given. Unless a signed application is received by CCS, CCS cannot make decisions about whether the family qualifies for the program. Approval for services are not given by CCS unless a family meets all of the program qualifications. 2) Give CCS all of the information requested so that CCS can decide whether a family qualifies. If all needed information is not given, the case may not be opened. 3) Apply to Medi-Cal if CCS decides that a family's income qualifies for the Medi-Cal program. If a family qualifies for Medi-Cal the child is also covered by CCS which approves services but payment is made by Medi-Cal. CCS may pay for services which are not covered by Medi-Cal and the family benefits from both programs. In this way, limited CCS funds can be stretched to cover many more families.

PRIVACY NOTIFICATION: The CCS program in the county where you live is asking for the information on this application. The information requested by CCS is required except where the form shows you have a choice. If you do not provide the required information, your child's application is incomplete and CCS may not be able to open the case. The CCS program will keep this information confidential in accordance with Section 41670, Title 22, California Code of Regulations and California Public Records Act (Government Code Section 6260-6265). CCS may share information on the form with authorized staff from other health and welfare programs only when you have provided a signed consent form. You have the right to see your application and CCS records concerning you or your child. If you wish to see these records, contact your county CCS agency. By law, the information you give to CCS is kept by the program. (Section 123800 et seq., of the California Health and Safety Code). California law also requires that families applying for services shall be given the above information (Civil Code Section 1798.17).

YOUR APPEAL RIGHTS: You have the right to appeal decisions made by CCS according to provisions by the California Code of Regulations, Title 22, Chapter 13, Section 42702 - 42703. For information on the appeal process contact the BUTTE County CCS office at (530)895-6546.

DEAR MR. & MRS. WRONG:

KID ROBIN WRONG was referred to the California Children Services (CCS) program by DR PHELPS. We have confirmed that KID is enrolled in the Healthy Families (HF) program.

CCS is a special state program operated in each county for infants, children and adolescents. The program uses pediatric physicians, dentists, and special care centers who are expert in the diagnosis and treatment of certain medical and dental conditions. We believe your child would benefit from this expertise.

The HF Health Plan in which KID is enrolled does not cover the services to diagnose and treat CCS-eligible medical conditions. If KID is found to have a CCS-eligible medical condition, the CCS program will cover all of KID's medical costs related to the CCS-eligible condition. Information on the CCS program is provided with the enclosed CCS application.

We will pay for KID's medical care to treat the CCS-eligible medical condition before the CCS application process is completed when the medical care is authorized by the CCS program and delivered by a CCS-paneled or approved provider.

Please complete, sign and return the CCS application to this office at the above address. THIS APPLICATION MUST BE RETURNED BY 12/24/2000.

After we receive the completed application, we will contact you again to confirm that KID resides in SAN LUIS OBISPO County and to have you sign a Program Services Agreement so that we can continue to authorize payment for services to treat KID'S CCS-eligible medical condition.

Please call SAN LUIS OBISPO COUNTY CCS at 805-781-5527 if you have any questions.

Dear MR AND MRS WRONG

The EL DORADO County California Children Services (CCS) office sent you two notices over the last thirty (30) days. Each notice requested that you contact us to determine NUMBER WRONG's residential eligibility for CCS services. We received no response from you.

Since NUMBER has been determined medically eligible for CCS and is eligible for the Healthy Families (HF) program, the CCS program will continue to provide the authorization and payment of medically necessary services to treat NUMBER's CCS-eligible medical condition. The CCS program is only responsible for payment of a HF subscriber's medical care related to the CCS-eligible medical condition that has been authorized and delivered by a CCS-paneled provider or approved provider.

You are encouraged to complete CCS program eligibility to ensure that NUMBER receives continued medical case management and payment for services related to the CCS-eligible medical condition. However, the CCS program will not pay for any medical care when NUMBER is no longer enrolled in the HF program unless CCS program eligibility is completed.

Please call EL DORADO County CCS at (530) 621-6128, if you have any questions

Sincerely

Dear MR AND MRS WRONG:

The EL DORADO County California Children Services (CCS) office sent you two notices over the last thirty (30) days. Each notice requested that you call to schedule a meeting with us or provide proof of NUMBER WRONG's continued county residential eligibility for CCS services. We received no response from you.

Since NUMBER WRONG has been confirmed as a Medi-Cal beneficiary, the CCS program will continue to provide medical case management including authorization of medically necessary services related to the CCS eligible medical condition. However, this is limited to only Medi-Cal benefits and will only continue as long as NUMBER WRONG continues to be a Medi-Cal beneficiary with full coverage and no share-of-cost. Once Medi-Cal coverage has stopped, CCS authorization for services will be discontinued.

The CCS program strongly encourages you to complete the CCS program redetermination process in order to prevent any discontinuation of CCS authorizations for treatment of your child's CCS eligible medical condition should Medi-Cal eligibility stop.

Sincerely,

RE: NUMBER WRONG
CCS#: T50577
DOB: 01/01/1901
CO: EL DORADO

DEAR MR AND MRS WRONG:

The EL DORADO County California Children Services (CCS) office sent you two notices over the last thirty (30) days. Each notice requested that you call to schedule a meeting with us or provide proof of NUMBER WRONG's continued county residential eligibility for CCS services. We received no response from you.

Since NUMBER WRONG has been confirmed as a Healthy Families (HF) subscriber, the CCS program will continue to provide medical case management including the authorization of medically necessary services related to the CCS-eligible condition. However, this will only continue as long as NUMBER WRONG continues to be a HF plan subscriber. Once HF coverage has stopped, CCS authorization and payment for services will be stopped.

The CCS program strongly encourages you to complete the CCS program yearly eligibility determination process in order to prevent any discontinuation of CCS authorizations for treatment of your child's CCS-eligible medical condition should HF eligibility stop.

Sincerely,

California Children Services
